Reminding:

*The scholarship would be started to provide after you already arrived in Taiwan, and finished the registration process at NTUNHS (The time of acquisition would depend on the progress of the school's accounting and cash flow processes).

*If you receive a full scholarship from the Taiwan government during your period of study, this scholarship will be auto-deleted.

*The number of scholarship slots and the amount of funding may vary each year depending on the education budget received from the Ministry of Education.
