

# Bachelor of Nursing

UQ - NTUNHS Joint Program

# The UQ School of Nursing, Midwifery and Social Work

Ranked 5th in the world for nursing\*, The University of Queensland's School of Nursing, Midwifery and Social Work brings together academics, clinicians, practitioners and students who want to make a difference to the lives of others.

The University of Queensland's innovative Bachelor of Nursing program was developed in consultation with patients, students, professional associations, and industry partners:

- Narrative and inquiry-based approach to learning
- Supervised clinical placements in a range of clinical settings, including, hospitals, critical care, emergency medicine, paediatrics, aged care, rural and mental health.
- Programs are recognized by Australia's peak professional and regulatory bodies, including:
  - \* The Australian Health Practitioner Regulation Agency
  - \* Australian Nursing and Midwifery Accreditation Council
  - \* Nursing and Midwifery Board of Australia.

Bachelor of Nursing**

\* 2021 Global Ranking of Academic Subjects

# Why study at UQ?

## Global Reputation

Ranked in the world's top 50, UQ is one of Australia's leading research and teaching institutions. UQ is ranked #47 in the QS World University Rankings 2022 and #5 in the world for nursing in the Global Ranking of Academic Subjects 2021.

## Scholarships

The University of Queensland is proud to offer eligible students from NTUNHS the Global Connect Scholarship. A ten percent tuition fee reduction is available to eligible students articulating into the Bachelor of Nursing for the duration of their studies. Visit [global-engagement.uq.edu.au/gcs-terms-conditions](https://global-engagement.uq.edu.au/gcs-terms-conditions) for terms and conditions of the scholarship.

## Excellent Teachers

UQ's academics have won more national awards for teaching than any other Australian university.

## Student Support

Free and accessible academic and personal support services to help you settle in and enjoy your studies at UQ.

## Job Ready

Australian and international employers want UQ's nursing, midwifery and social work graduates because their knowledge, skills and experience add value to strategic goals from day one. That's why UQ ranks so highly in the Good Universities Guides for graduate employment rates and graduate salaries.
