National Taipei University of Nursing and Health Sciences

## International Master of Montessori Degree Program

### About NTUNHS

National Taipei University of Nursing and Health Sciences (NTUNHS) was established in 1954. We has the best nursing and healthcare education in Taiwan and Asia. NTUNHS cooperate with global community and provide diverse pathways for global elites. NTUNHS welcome all high achiever, we are the best choice for you.

This year, we are proud to be ranked 62<sup>nd</sup> globally, 9<sup>th</sup> in Asia, and 1<sup>st</sup> among national universities in Taiwan in the QS World University Rankings for Nursing. Moving forward, NTUNHS will continue to strive to nurture more exceptional talents in the field of healthcare and health sciences.

### About College and Program

The College of Human Development and Health aims to promote interdisciplinary teaching and research in human health development across different life stages. We strive to integrate expertise from various disciplines, establish an electronic learning environment, and enhance students' awareness of holistic education. We encourage innovative teaching methods and research that combine vocational training with academic theories.

This program is designed for students with a bachelor's degree. Students take courses leading to Montessori teacher certification while simultaneously working on two master's degrees.
