## International Master's of Science in Nursing(MSN) Degree Program

### About NTUNHS

Established in 1954, the National Taipei University of Nursing and Health Sciences (NTUNHS) is renowned for premier nursing and healthcare education in Taiwan and Asia. Collaborating globally, NTUNHS offers diverse pathways for international elites. We welcome high achievers to join us, as NTUNHS is the optimal choice for your educational journey.

In 2023, we are proud to be ranked 62<sup>nd</sup> globally, 12th in Asia, and 1st among national universities in Taiwan in the QS World University.

This brilliant and proud achievement is a microcosm of the development of nursing and technical education in Taiwan.

### About College and Program

The College of Nursing at NTUNHS consists of three departments, two graduate institutes, and four International Programs. With over 50 faculty members holding PhD degrees, NTUNHS is the only university in Taiwan that offers both academic and vocational nursing training programs. It is recognized as a leading institution in the field of professional nursing.

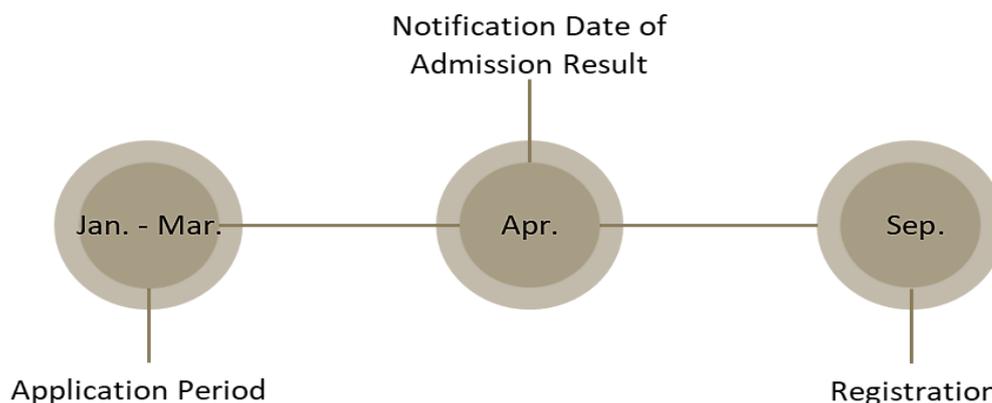

The International Nursing Science Program at NTUNHS is Taiwan's first English-taught nursing master's program. NTUNHS is dedicated to nurturing nursing professionals who meet market demands and possess diverse skills, with a strong emphasis on career planning for students. The College of Nursing and the School of Nursing share a unified commitment to providing "people-centered" healthcare, addressing the unique needs across all stages of the human life cycle. This program reflects our dedication to excellence in nursing education and our mission to prepare students for global healthcare challenges.
